Dear Director Donovan and Assistant Attorney General Mason:

On May 18, 2016, I was joined by 17 of my colleagues in sending the attached letter to the Office of Management and Budget regarding the 2012 NECC fungal meningitis outbreak. As of today, we have not received a response to our letter, yet this remains a pressing concern for our constituents, all of the victims, and their families. Accordingly, I respectfully request a meeting with you, or your designees who are familiar with this matter, to discuss the Administration's response.

Given the limited legislative calendar remaining this summer, I ask this meeting take place no later than Friday, June 24, 2016. If you or your staff have any questions, please feel free to contact me or Andrew Block on my staff. Thank you for your attention to this request. I look forward to meeting with you and coming to a resolution soon.

Sincerely,

Michael D. Bishop  
Member of Congress
